

THE COLLEGE OF MODERN MONTESSORI

2026 ONLINE WORKSHOPS

Bring Montessori Theory to Life

Step confidently into your Montessori practice with our 2026 Modern Montessori Online Workshops. Each workshop is carefully designed to strengthen your understanding, build practical skills, and help you bring Montessori principles to life - with clarity and purpose.

- Turn Montessori theory into confident classroom practice
- Live, guided demonstrations of Montessori Materials
- Learn from experienced, passionate Montessorians
- Gain clarity, inspiration, and professional confidence
- Perfect for distance learning and working Educators

Ideal for teachers, caregivers, assistant teachers, and school managers. Montessori and traditional education welcome
